

THIS ENDORSEMENT CONTAINS PROVISIONS IN CLAUSES II, V AND VI THAT MAY LIMIT OR PREVENT RECOVERY UNDER THIS POLICY FOR DEBRIS REMOVAL (AS PROVIDED IN CLAUSE II) AND/OR RESULTING LOSS (AS PROVIDED IN CLAUSE V).

I. LAND, WATER AND AIR EXCLUSION CLAUSE

Notwithstanding any provision to the contrary within the Policy of which this Endorsement forms part (or within any other Endorsement which forms part of this Policy), this Policy does not insure land (including but not limited to land on which the insured property is located), water or air, howsoever and wherever occurring, or any interest or right therein. The foregoing exclusion shall not apply to water which is contained in plumbing or firefighting installations in the Assured's buildings at the time of any damage insured by this Policy.

II. DEBRIS REMOVAL CLAUSE

Nothing contained in this Clause shall override any seepage and/or pollution and/or contamination exclusion or any radioactive contamination exclusion or any other exclusion applicable to this Policy. The inclusion of this Clause shall in no event increase the Limit of Liability of Underwriters under this Policy or any other endorsement applicable to this Policy.

Any provision within this Policy (or within any other Endorsement which forms part of this Policy) which insures debris removal is cancelled and replaced by the following:

1. In the event of direct physical damage to property, for which Underwriters agree to pay hereunder, or which but for the application of a deductible or underlying amount they would agree to pay (hereinafter in this Clause referred to as "Damage"), this Policy also insures, subject to the limitations below and method of calculation in Clause VI of this Endorsement and to all the other terms and conditions of the Policy, expense:
 - (a) which is reasonably and necessarily incurred by the Assured in the removal, from the premises of the Assured at which the Damage occurred, of debris which results from the Damage; and
 - (b) of which the Assured becomes aware and advises the amount to Underwriters hereon within one year of the commencement of the Damage;

provided however, that nothing in this Clause shall insure any expense provided under Clause V of this Endorsement.

2. The maximum amount of expense for removal of debris (subject to the limitations of paragraph 1 above) that can be included in the method of calculation in Clause VI of this Endorsement, shall be the greater of £20,000 (twenty thousand pounds, or the equivalent in local currency) or 10% (ten per cent) of the amount of the Damage from which expense results.

III. SEEPAGE AND/OR POLLUTION AND/OR CONTAMINATION EXCLUSION CLAUSE

Notwithstanding any provision to the contrary within the Policy of which this Endorsement forms part (or within any other Endorsement which forms part of this Policy), this Policy does not insure:

1. any loss, damage, cost or expense; or
2. any increase in insured loss, damage, cost or expense; or
3. any loss, damage, cost, expense, fine, penalty or other sum which is incurred, sustained or imposed by, or by the threat of, any judgement, order, direction, instruction or request of, or any agreement with, any court, government agency, any public, civil or military authority or any other person (and whether or not as a result of public or private litigation);

which arises from any kind of seepage or any kind of pollution and/or contamination, or threat thereof, whether or not caused by or resulting from a peril insured, or from steps or measures taken in connection with the avoidance, prevention, abatement, mitigation, remediation, clean-up or removal of such seepage or pollution and/or contamination, or threat thereof.

The term "any kind of seepage or any kind of pollution and/or contamination" as used in this Endorsement includes (but is not limited to):

1. seepage of or pollution and/or contamination by anything, including but not limited to that which is designated by any governmental, public or regulatory body or authority as toxic, hazardous, dangerous or deleterious to persons, property or the environment under any law, ordinance, regulation or decree;
2. the presence, existence, or release of anything which endangers or threatens to endanger the health, safety or welfare of persons or the environment.

IV. LISTED PERILS RESULTING FROM SEEPAGE AND/OR POLLUTION AND/OR CONTAMINATION CLAUSE

This Policy is amended as set forth below. All other terms and conditions of this Policy remain unchanged and continue to apply with full force and effect. Nothing contained in this Clause shall override any radioactive contamination exclusion applicable to this Policy. If any of the perils listed below results from seepage and/or pollution and/or contamination, then such resultant perils shall not be excluded solely by the foregoing Seepage and/or Pollution and/or Contamination Exclusion Clause.

Listed Perils

Fire,

Explosion.

Nothing in this Clause, however, shall extend this Policy to insure:

1. loss, damage, cost, expense, fine or penalty, or other sum arising from any kind of seepage or any kind of pollution and/or contamination that causes or results from a listed peril; or
2. loss or damage at any premises other than the premises where the listed peril took place; or
3. property and/or interests other than those insured by this Policy against the listed perils.

V. LIMITED SEEPAGE AND/OR POLLUTION AND/OR CONTAMINATION RESULTING FROM PHYSICAL DAMAGE CAUSED BY LISTED PERILS CLAUSE

THIS CLAUSE IS VOID AND OF NO FORCE OR EFFECT UNLESS AN AMOUNT IS SPECIFIED IN PARAGRAPH 2) BELOW.

This Policy is amended as set forth below. All other terms and conditions of this Policy remain unchanged and continue to apply with full force and effect. Nothing contained in this Clause shall override any radioactive contamination exclusion or, except as set forth herein, the foregoing Seepage and/or Pollution and/or Contamination Exclusion Clause.

The inclusion of this Clause shall in no event increase the Limit of Liability of Underwriters under this Policy or any other endorsement applicable to this Policy.
