

## APPLICATION OF SUBLIMITS ENDORSEMENT

1. **Application To Insured Interests.** Each sublimit stated in this policy applies as part of, and not in addition to, the overall policy limit for an occurrence insured hereunder. Each sublimit is the maximum amount potentially recoverable from all insurance layers combined for all insured loss, damage, expense, time element or other insured interest arising from or relating to that aspect of the occurrence, including but not limited to type of property, construction, geographic area, zone, location, or peril.
2. **Application Within Perils.** If insured under this policy, any sublimit for earthquake, earth movement, flood, windstorm, named storm, or named windstorm is the maximum amount potentially recoverable from all insurance layers combined for all insured loss, damage, expense, time element or other insured interest arising from or relating to such an occurrence. If flood occurs in conjunction with a windstorm, named storm, named windstorm, earthquake or earth movement, the flood sublimit applies within and erodes the sublimit for that windstorm, named storm, named windstorm, earthquake or earth movement.

This endorsement takes precedence over and, if in conflict with any other wording in the contract bearing on the application of sublimits, replaces that wording.
